Citysearch Editorial Review

By Wendy Weiden

Editorial Rating: Recommended

The spunky sibling of the Tenderloin noodle joint invades the Mission with hip design and low-priced Thai fare.

The Scene

Squeezed into a gritty Mission block, the small dining room is a stylish, peaceful respite from the outside, with jungle-foliage wallpaper and fluorescent lights softened by a gauzy mesh curtains.

The Food

An encyclopedic list of bargain-priced Thai dishes makes this a paradise for cash-strapped food lovers. From traditional starters such as crisp, flavorful egg rolls to Tom Yum noodles with its exotically comforting balance of lemongrass and lime, meals begin with a bang--especially if you request it spicy.

thai. Spicy eggplant, a heaping portion stir-fried with tofu, bell peppers and Thai basil, demonstrates the kitchen also has excellent skills at the wok.

The food was fantastic! authentic Thai with more modern selections.the service was excellent, friendly and helpful. I love thier Sashimi Samon Salad. You must try! If you more more spicy then try the Prawns Casanova, Hum..tasty!
with great wine selection for Thai food

The only one complain I have is, we have to wait for a long time to get a seat

Recognition for Osha Thai Noodles

2004
Winner - [Thai Food](#)

Sponsored Information

"Authentic Thai cuisine with a modern twist and fresh local ingredients"

Thai food emphasizes balance of ingredient flavor, texture, and seasoning. Osha Thai (Valencia) offers an escape from "carbon copy" Thai restaurant menus, choosing instead to serve some of the Bay Area's most authentic traditional Thai, as well as modern riffs using local fresh ingredients. Besides delighting the discerning palate, our kitchen takes pride in sophisticated presentation. Dishes will be treated to such decorative touches as fresh orchid flowers and carved vegetable accents. OSHA offers a distinctive dynamic wine selection, monthly hand-picked wine list to complement our seasonal menus. Enticing, experimental, and fun!
